Career Objective

Motivated engineering student with strong interest in web development and programming. Seeking opportunities to apply my skills in building responsive websites and software applications, while learning modern technologies and best practices.

Education

Bachelor of Engineering (B.E.) in Computer Science Your Engineering College Name, City, India CGPA / Percentage: <i>(Update here)</i>	2022 – Present
Diploma in Computer Science Your Diploma College Name, City, India Percentage: <i>(Update here)</i>	2019 – 2022
SSLC / 10th Standard Your School Name, City, India Percentage: <i>(Update here)</i>	2018 – 2019

Technical Skills

Programming Languages: C, Java, (add more if you know: C++, Python, etc.)
Web Technologies: HTML, CSS, JavaScript, basic React.js (learning)
Tools & Platforms: Git, VS Code, (add others: GitHub, etc.)
Other: Problem solving, basic Data Structures & Algorithms

Projects

Personal Portfolio Website *HTML, CSS, JavaScript*

- Designed and developed a responsive personal portfolio website.
- Implemented navigation with sections like Home, About, Education, Skills, Certifications and Contact.
- Added features like “Download Resume” button, copyright footer and mobile-friendly layout.

Weather Web App *HTML, CSS, JavaScript*

- Built a simple weather application for the web as part of my learning.
- Fetched weather data using public APIs (or mock data if you used that).
- Displayed temperature, conditions and other details in a clean UI.

Other Mini Projects (Optional)

- List any small C / Java / JS programs or mini apps you created.

Certifications

- Certification in (*e.g., Web Development / C Programming / Java*) – Platform / Institute Name.
- Any online course completion (Udemy, Coursera, etc.) related to programming or web development.

Achievements & Responsibilities

- Participated in coding contests / hackathons / technical events (add details if any).
- Member of college technical club / coding club (if applicable).
- Any academic achievement: top rank, scholarships, etc.

Strengths

- Quick learner with strong interest in new technologies.
- Good logical thinking and problem-solving skills.
- Ability to work in a team as well as individually.

Personal Details

Date of Birth : DD Month YYYY
Gender : Male
Languages Known : Kannada, English, Hindi, (add more)
Location : City, State, India

Declaration: I hereby declare that the above information is true and correct to the best of my knowledge.
